

82-2623

09 March 1982

1. Admiral Murphy, Special Assistant to Vice President Bush, asked the Executive Director for briefings by CIA on the Latin American narcotics situation. Vice President Bush is Chairman of the President's Commission on Crime which is currently focusing on the drug/crime situation in South Florida.

2. After discussing this request with Admiral Murphy's Special Assistant, IAD/OG/NEO has organized a program for Admiral Murphy for 1500-1700 hours on 11 March at the Executive Office Building. DDI representatives will deliver three 20-minute segments on

a. Mexico, opium production estimates and crop methodology;

b. Cocaine and marijuana production in Peru, Bolivia, Colombia, and Jamaica;

c. Trafficking networks, patterns, routes, political instability, arms/drugs linkage, and possible Cuban linkages.

IAD/OG will brief on narcotics money laundering activities and CLA/OPS will represent LA Division should the Admiral have questions concerning operations, programs, or possible commitment of LA Division support.
